

Chefs work an average of  
**10 hours a day**

**75% of that time**  
**is on their feet**

In 2014/15, over 20,000 slips and trips were reported in kitchens, thanks to a high risk of wet and greasy floors.

Your feet contain around **250,000 sweat glands**. It's no wonder feet can **sweat up to an egg cup a day** – especially in a hot kitchen!

» Despite their strength and durability, WearerTech shoes are light enough to float!

Each foot contains  
**26 BONES,**  
**33 JOINTS,**  
**AND OVER 100**  
muscles, ligaments  
and tendons
