

# Food Waste Disposal

In collaboration with our sister company, IMC, a selected range of food waste disposers is now available from Lincat.

For reliability and convenience, nothing beats IMC food waste disposers. Robustly built with high-quality materials, these products will withstand continuous use in the most demanding environments while enabling you to meet the highest standards of hygiene and safety. And, with a choice of freestanding units and models for mounting undersink or into tabling, we have a range of options to suit your requirements.
