

Product Description

The FS1002S and FS1202S fill a gap in the market for people who don't want a light canopy on their double door coolers. It gives a little more interior height and makes for a cleaner looking cabinet. In a choice of widths and with Tefcold's build quality and reliability as standard these units have become a popular choice for shop and cafe owners. (The FS1002S & FS1202S are replacements for the FS1000S & FS1200S)

Features and Benefits

- Fully automatic
- Fan assisted cooling
- Adjustable full width shelves
- Adjustable feet with rollers to rear
- LED Interior light with switch
- Digital temperature display
