MAXILINE

MERCHANDISING UNITS

MAXILINE

MERCHANDISING UNITS

The Maxiline range of free-standing food and drink merchandisers are specifically designed to support high volume food and drink outlets with professional display and operation capabilities.

Designed with the latest refrigeration technologies and manufactured from quality BS standard stainless steel and toughened glass.

Maxiline is available in a comprehensive range of widths in both standard and slimline depths.

MAXI150VMPST

STANDARD REFRIGERATED UNITS

The versatile Maxiline merchandising units are perfectly suited for delis, coffee shops, convenience stores and all food-to-go applications. These displays facilitate the effective presentation of chilled products whilst maintaining correct core product temperatures.
