

MICROSAVE GEN: 2

NOW IN **PAPAYA ORANGE**
FOR ECO-FRIENDLY KITCHENS

Built on the proven success of the original Microsave, the new Microsave Gen:2 cavity liner takes protection to the next level:

- 100% recyclable material
- Durable, robust, next-generation design
- Dishwasher safe, food safe, instantly recognisable

Compatible with:
Panasonic **NE-1878, NE-1864, NE-1815**
and legacy **NE-1843/1853** models.

Protects Panasonic commercial microwaves
from grease & debris, reducing downtime
and extending equipment life.

 **REGALE®**
COMMERCIAL MICROWAVES, SINCE 1983
