

The Lynx Prime 5L Countertop Fryer is the perfect solution for kitchens with limited space or low-demand sites. With a 2.8kW element and dial thermostat control, it delivers crispy, delicious results with ease. Built from durable stainless steel, it's easy to clean thanks to its disassemblable design. The included protective lid helps extend oil life when not in use, while its lightweight, compact design makes it ideal for pop-up kitchens, demos, or mobile catering. Perfect for professional results in any small kitchen set-up.
