

## Overview

M-Line merchandisers with panoramic side glass, internal glass shelving and LED illumination for enhanced food display and all round viability. These sharp styled units are a perfect fit for any modern designed retail grab and go food outlet, ideal for delicatessens, restaurants, universities, schools, hospitals, supermarkets and coffee shops. The hygienic free-standing mobile design made inside and out from bright polished stainless steel provides easy access for pre packed snacks and cool drinks. Incorporating a low height cold well and 4 glass display shelves. The unique Moffat innovative "Polar Air Stream" system provides a constant recirculating cold air curtain completely enveloping the food displayed. Holding pre-chilled food at a safe, regulated temperature while retaining taste and freshness. Perfect for sandwiches, fruit, yogurt s and cold drinks. Self-contained units with accurate, digital control, automatic defrost, high pressure warning and automatic condensate evaporation. Utilising a highly efficient, naturally occurring, hermetically sealed, hydrocarbon gas type R290 reducing carbon footprint and energy consumption. Available in a choice of 4 model widths.
