

STAINLESS STEEL SINK - DR377 FLATPACK

DIMENSIONS

ady completed

This 1800mm wide flat-packed sink from Holmes features a double central bowl and drainer on the left and right sides. The sink is easy to assemble and constructed from 304 stainless steel, making it smooth, hygienic and easy to clean whilst offering high resistance to corrosion and stains. The sink is perfect for creating practical and hygienic washing areas in a commercial kitchen, and features a strong undershelf for extra storage.
