

STAINLESS STEEL SINK - DR391 FULLY WELDED

DIMENSIONS

This robust, fully welded 1500mm wide sink from Holmes features a left side drainer with double bowl on the right side, ideal for creating hygienic and practical washing areas in your kitchen. The sink is constructed from 304 stainless steel, which is smooth, easy to clean and offers high resistance to corrosion and staining. It also features a strong undershelf which provides additional storage for utensils and supplies.
