Layout of bottle on shelves

Slide out shelves for access

Description

Probably the best way to store and display large quantities of wine bottles in style. Temperature can be adjusted to suit either white or red wines allowing you to keep them at a perfect ready to serve temperature. Slide out wooden shelves allow easy selection of wine and intelligent design of the shelf maximises storage space. Low level LED give mood lighting inside the cabinet. Dual temperature unit is also available

Product Features

- Stainless steel door frame and handle
- Single temperature zone
- Suitable for red or white wine
- Energy efficient cooling system
- Very low noise level [39dB(A)]
- Reversible glass door
- LED interior light with switch
- Wooden shelves
- Presentation shelves available as option
- Lock (TFW400-S only)
