## Classic, stackable, functional

The Concorde range is imbued with the sophisticated aesthetics of classic Mid-Century styling. Clean lines and a fresh, understated tactile surface are balanced with a warm, approachable, off-white body colour to provide a casual yet crisp food presentation style.

All items are carefully designed to be discretely functional in a busy kitchen as well as providing excellent durability. Stackability is a key feature, enabling efficient storage of items, as is compatibility which allows different items to be stacked together and use a common saucer.

Using both coupe and rimmed profiles, the Concorde range provides a modern, yet functional aesthetic to showcase the very best cuisine.

## Simple, tactile, embossment

The Terrace range brings together the look and feel of Stoneware with the timeless appeal of a simple, tactile embossment. The range utilises semi-matt glazes which pool and interact with the embossed surface to give the impression of hand-worked, semi-precious stone.

The embossment is carefully arranged to draw the eye to the centre of each piece, where the focus is on the food, framing it perfectly. In addition to a useful range of standard coupe plate sizes, Terrace comprises a full suite of bowl sizes and shapes and a comforting beverage collection.

## Tasteful, authentic, stoneware

Reminiscent of the dramatic landscapes and natural beauty of the Azores Islands of Portugal, the Folio Azores collection is comprised of tastefully organic stoneware. With graceful yet irregular shaped edges, Azores emulates the look of authentic, hand-thrown stoneware, designed specifically for casual dining and small bites. The reactive hand-applied glaze colours, are aptly named and inspired by the harmonious scenery of their namesake islands.
