

Fragranced Hand Soap

WASHROOM
& TOILETS

2x5ltr

GG934

READY TO USE

Produces a rich controlled lather in seconds.

Use(s):

A universal hand cleanser, mild enough for general hand washing.

Contains a pleasant perfume and produces a rich controlled lather in seconds.

Also contains extra emulsifying properties for use where grease and oil needs to be removed in light engineering and industrial applications.

Directions:

For general washing wet hands first before application of product then wash in the normal way.

For grease and light oil removal apply product directly to hands, rub in well, then rinse with water and dry thoroughly.
