## Flav-R-Fresh® Impulse Display Cabinets

A profitable way to create impulse food sales is with the small Flav-R-Fresh® Holding and Display Cabinet. Using separate heat and humidity controls to keep crisp foods crisp and moist foods moist allows you to showcase your products longer using minimum counter space.

- The rounded designed cabinet features tempered glass sides and door for full-view display
- Incandescent light enhances food appeal while safeguarding food products from bulb breakage
- Internal thermometer indicates cabinet temperature
- Single- or double-door opening models provide fast access to food racks
- Food decals and merchandising signs are available to help promote product

**FDWDE-1** with rotating 4-tier rack and accessory pizza pans

## Flav-R-Savor® Holding & Display Cabinets

Balancing a precise combination of heat and humidity, the Hatco Flav-R-Savor® Cabinets provide an attractive showcase for hot food displays and generate impulse sales. A complete range of cabinet sizes, door options and rack types allows for perfect merchandising of food products such as pizza, fried foods, bakery items, sandwiches and more.

- Full-view display with tempered glass sides and door provide maximum heat retention
- Controlled heat and humidity for longer holding times
- 3-liter stainless steel water reservoir provides all day moisture
- Low-water protection prevents heating element burnout and alerts operator to low-water condition
- Revolving or stationary display racks
- Available in two heights with single- or double-sided opening models
- Fluorescent lights with clear plastic cover help showcase food product

**FSD-2X** with 3-tier pan rack and accessory and food pans

## Flav-R-Savor® Decorative Kit for FSD and FSDT Models only

Transform your Hatco Flav-R-Savor® Holding & Display Cabinet from a "heated box" into a Designer Merchandiser with a variety of simple accessory additions. Create a new look and feel to your décor.

- The curved hinged header allows easy access to controls and water fill cup, and gives a great area to brand your food product with a magnetic sign (sign not included)
- All decorative pieces come standard in Designer Black powdercoat, with additional Designer colors available
- Curved inset panels enhance the overall look
- The base skirt completes the transformation and gives additional branding area. Available in flat or curved panels for front and/or back of unit
- Signs not included

## Mini Display Warmers

The Hatco Mini Display Warmer is perfect for cookies, pastries, wrapped or boxed sandwiches or any other product that does not require humidity. Hot air circulates throughout the entire cabinet, keeping food at safe-serving temperatures. The small footprint takes up little of your valuable counterspace while merchandising your breakfast, lunch or dinner offerings.

Magnetically adjustable shelves provide flexibility for a variety of product choices

- Magnetically adjustable shelves allow horizontal or slanted displays
- Tempered glass sides and incandescent light showcase your food
- Thermostatic control with rocker switch
- Field reversible door hinge location
- Available as a 1-door or a 2-door pass-through model
- Doors may be field converted to any side
- Optional black hood with backlit graphic sign cutout that can be rotated in field to face any side (sign included)

**MDW-1X** in standard *Designer Black* with optional hood with backlit sign cut out on one side (sign included)

### MINI DISPLAY WARMERS – NON-HUMIDIFIED

## Flav-R-Savor® Heated Air Curtain Cabinets

The patented Flav-R-Savor® Heated Air Curtain Cabinet effectively and safely holds hot food hot without the use of doors, allowing immediate access to product. Warm air at the front of the cabinet is forced downward, through the ducts above the opening, forming a “curtain” of heated air. A portion of the heated air is drawn toward the rear of the cabinet, warming each pan.

- Perfect for holding wrapped or sealed product like tortillas, burritos and ribs, as well as product on sheet pans like biscuits, hamburger patties and baked potatoes
- The 2-pan pass-through accommodates two (2) full-size sheet pans or four (4) half-size sheet pans; the 4-pan unit accommodates four (4) full-size sheet pans or eight (8) half-size sheet pans
- Easy to use digital controls, a lighted On/Off switch and a 1829 mm cord & plug set

**FS2HAC-4PT** 4-tier pass-through with accessory food pans

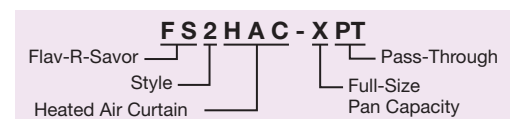

### HEATED AIR CURTAIN CABINETS

Model	Description	Dimensions			Voltage	Hz	Watts	Amps	Ship Weight
		W x D x H							
<b>FS2HAC-2PT</b>	2-Tier PT	613	994	468	240	50	2589	12.6	75 kg
<b>FS2HAC-4PT</b>	4-Tier PT	613	994	671	240	50	3389	14	86 kg

**All Heated Air Curtain Cabinet Models Feature:**

Cabinet Opening Dimensions: **FS2HAC-2PT:** 459 x 216 mm.  
**FS2HAC-4PT:** 464 x 411 mm.

**Cord Location:** Top of unit towards the back, left side.

FS2HAC-4PT with accessory  
102 mm legs and food pans

### Water Quality Requirements

Water supply in excess of .75 grains of hardness per liter (GPL) must be treated and softened before being used. Water containing over .75 GPL will decrease the efficiency and reduce the operating life of the unit.

NOTE: Product failure caused by liming or sediment buildup is not covered under warranty.
