

MIRABELLA 9

MIRABELLA 7

MIRABELLA 6

Rear of cabinet showing under-storage access

Description

The Framec Mirabella ice cream scooping display is a leap forward in design and presentation. The Mirabella is designed to hold the ice cream as high as possible in the display giving the easiest view of the product to the customer. Traditional scooping units hold the ice cream further down within the cabinet making it harder (especially for children) to see the ice cream. It also ensures the ice cream is visible from further away, helping to draw customers in. Maximise sales and profits by maximising your display. Available in 6, 7 and 9 pan versions, the Mirabella represents value, proven reliability and a class leading display.

Product Features

- Fully automatic
- Static cooling
- LED interior light with switch
- Castors (not lockable)
- Digital controller and temperature display
- Lift up rear door
- Accepts Napoli pans (not supplied)
- Refrigerated understorage
- Flat glass canopy
- Optional scoop wash (POA)

Technical Specifications

Temperature Range (°C)	-20 to -5
Refrigerant	R290
Type of Defrost	Automatic
Exterior Finish	Anthracite RAL7016
Interior Finish	Grey/Stainless Steel
Power	13 Amp
Max Ambient	30°C at 55% RH
Climate Class	4
