

# UNIGRIP PORTIONER

## BLACK 30

STANDARD: 10123-05 / EXTENDED: 10124-09

The Bonzer® Unigrip Portioner is a robust, advanced design with a stainless steel bowl and mechanism featuring the one piece universal handle with built in spring. Constructed for either thumb or squeeze operation, the ergonomically shaped Unigrip Portioner offers maximum comfort and ease of use.

## FEATURES & BENEFITS

1.

### Create a Consistent Menu

Both customers and operators can benefit from the consistency portion control brings. Customers can see that they have good value for money from the portion size while operators can accurately measure their costs and therefore their profits.

2.

### Reduce Food Waste

Customers are becoming increasingly aware of reducing waste within their own lives and that counts for food. Chefs that get the balance right will see more orders from across the menu and satisfied customers going home with a smile on their face.

3.

### No Food Traps

The Bonzer Portioner has been designed to remove any food traps. This makes them easier to keep clean and more hygienic.

4.

### Colour Coded Sizes

The Litegrip is available in 17 standard and 15 extended different sizes that have different colour handles to identify them. This makes it far easier for users to identify the different sizes required for the menu or recipe.
