

COUNTER TOP GASTRONORM BAIN MARIE WITH SNEEZE GUARD

Description

Allowing access from both sides of the counter top unit the MEV and MSV bain maries come fitted with a glass sneeze guard to allow for easy self service while still maintaining some health and safety measures whether that be single or double.

Built from high grade AISI 304 stainless steel, the wet well accepts gastronorm containers up to 150mm deep (not included) with integrated digital controller and drainage tap to the front of the unit for easy access.

Features

- High grade AISI 304 stainless steel exterior & interior
- Open bain marie with single or double sneeze guard
- Accepts GN1/1 up to 150mm deep
- Digital controller with temperature display
- 130W halogen lamps on canopy variations
- Integrated drainage tap
