Pizza Table 2 doors

The PT1200 pizza table is engineered to meet business needs. This design features a sleek stainless steel build, providing durability and a professional aesthetic. With guides for 7 pizza trays in each of the two doors (400x600 mm), the PT1200 offers ample storage and easy access. The granite worktop not only guarantees a hygienic surface but also provides the ideal workspace for pizza preparation. Additionally, the unit is equipped with convenient automatic defrost, self-closing doors, and ventilated cooling, ensuring efficient and hassle-free operation for your food service establishment.
