Description

The TEFCOLD SK-BT range of stainless steel freezer counters offer a versatile food preparation station with easy access to frozen storage. Available in either 2 or 3 door variants, the range is designed to be 600mm deep to offer flexibility for smaller kitchens and areas with limited space. The SK-BT range comes with adjustable feet as standard, with castors available as an option. Manufactured in high quality 304 stainless steel and suitable for fresh meat, the SK-BT range shares the same premium features as the existing CF range.

Product Features

- Fully automatic
- Fan assisted cooling
- Adjustable shelves
- Self-closing doors
- High grad 304 stainless steel
- Adjustable legs
