To mount the cupboard on the wall:
1. Drill 3 holes on the wall, and ensure there is no electric/water pipe beneath the holes.
2. Fix the wall mounting plate to the wall with suitable fixings (not supplied).
3. Hang the cupboard on the plate. The cupboard is now assembled

Cleaning, Care & Maintenance

- Before using for the first time the cupboard should be cleaned thoroughly.
- Clean the cupboard regularly using a cleaning agent suitable for use with stainless steel.
- Always remove cleaning agent residue. This can discolour the surface of the cupboard.
- Never leave the surfaces damp as this can cause discolouration.
