### Description

The TEFCOLD Galaxy+ FGD (Full Glass Door) range, finished in mirror stainless steel: our latest innovation in plug-in multidecks. We've combined an expanded display area and optimised cabinet efficiency with frameless, full-vision glass doors, offering enhanced product visibility that captures customers' attention. The ultra-low front and slim top canopy provide an extra 100mm of internal height, accommodating up to 5 shelves (plus base) as standard. With a depth of only 750mm, the unit fits through standard doors for easy installation, yet has 400mm deep shelves for maximum stock capacity. Thanks to the carefully designed refrigeration system and optimal airflow throughout the cabinets, all sizes in this range are rated A or B for energy efficiency. Each unit comes with heavy-duty adjustable shelves that can be tilted if needed, EPOS ticket strips and shelf risers as standard. Optional extras include glass end-walls and multiplexing kits.

### Product Features

- Fully automatic, fan assisted cooling
- Vertical & Horizontal LED Lighting
- Solid 40mm endwalls with mirrored interior
- Frameless hinged double glazed self closing doors
- 5 Adjustable shelves, max weight 160kg/sq metre
- Shelves can be flat or angled to 7° or 14°
- EPOS Ticket strips & shelf risers
- Suitable for fresh meat
- Can be multiplexed with kit (POA)
- Door widths match on G14 & G26 & on G10 & G20

### Technical Specifications

Temperature Range (°C)	-1 to +5
Refrigerant	R290
Type of Defrost	Automatic
Exterior Finish	Mirror Stainless Steel
Interior Finish	Mirror Stainless Steel
Power	13 Amp
Max Ambient	25°C at 60% RH
Climate Class	3
