

BHD50

Blizzard

STAINLESS STEEL AND GLASS TIERED DISPLAY

Description

We've capitalised on the success of the BHD50 in 2022/23 and added a refrigerated version of the unit to the range. Fitted with 3 LED lit perforated stainless steel shelves to aid in airflow these clean looking units built from stainless steel and glass are the perfect fit for any retail or food outlet.

With the heated version capable of reaching up to 80°C and the cooled option dropping as low as 2°C, you couldn't ask for a better option for your display dilemmas than this shining pair.

Features

Digital controller & display

3 Adjustable shelves fitted with LED lights

Perforated stainless steel shelving to aid airflow

Stainless steel & glass construction

Castors fitted as standard

Fitted with a 13amp standard UK plug for ultimate plug and play functionality

Integrated POS strips
