Blizzard

NEW UPRIGHT HINGED GLASS DOOR MERCHANDISER

Description

Displaying frozen goods can often come with some huge draw backs for either your bank balance or visual merchandising, however with the introduction of the new BMF/C range from Blizzard you can rest easy knowing you don't have to sacrifice either.

Featuring a matt black finish, integrated low height rollers for easy installation and maintenance, digital membrane controller, temperature display and self-closing doors, there isn't many reasons that this new range isn't the perfect unit no matter your use case.

Features

Available in both hinged & sliding door variants

Matt black exterior and interior

Shelf pricing strips

Low energy consumption

5 adjustable black shelves

Internal LED illumination

Self-closing double glazed door

Door locks fitted as standard

Low height manoeuvring rollers
