

# GRAM GASTRO K 2207 CSG A 2D/2D/3D/3D L2

Product series: Gastro

Item number: 952200511

The GRAM GASTRO K 2207 CSG A 2D/2D/3D/3D L2 is a with a net internal volume of 308 Ltr.

GRAM Gastro 07 is a series of 1/1 GN workstations, equipped with customizable sections. Furthermore, the highly modular refrigerated counter offers an abundance of practical configuration possibilities.

## Temperature Control

Thanks to the Gram air distribution system, temperatures inside the counters always maintain a uniform and correct level.

This includes rapid temperature recovery after every door opening.

## Modularity & Scalability

With GRAM GASTRO 07 counters you can put together your individual workplace. Choose your combination of worktop, doors, and drawers, legs / castors/electric elevation, temperature ranges and accessories.

## Easy Maintenance

A compact slide-out refrigeration unit for easy maintenance and service access. Removable and easy to clean condenser filters and gaskets.

## High Standard in Hygiene

- The counter almost entirely consists of smooth surfaces – the perfect design for easy, quick and thorough cleaning.
- 'Drip Nose' edges on worktops to prevent the ingress of water.
- Worktops with splashbacks to protect your counter from spillage.
- Removable drawer and door gaskets for easy cleaning.
- Pan-shaped inside base with rounded corners to catches fluid.

## Allergy-Proof

Counters are made from nickel-free stainless steel.

## Ergonomic and practical design

- Anti-tilt shelves and drawers with pull-out stop.
- Extra-long telescopic rails on drawers - GN trays can be lifted in and out without tilting.

## SPECIFICATIONS

|                               |                      |  |   |
|-------------------------------|----------------------|--|---|
| Temperature range             | +2/+12°C             | Connection                               | 230V, 50 Hz   |
| Volume, gross (ltr.)          | 668                  | Connection load (Watt)                   | 190   |
| Net usable volume (ltr.)      | 308                  | Energy consumption (kWh/Year)            | 652   |
