

Twin Coffee Hotplate

Strong, robust and reliable, the Buffalo twin coffee hot plate provides an attractive, sturdy coffee jug storage solution for buffet, mobile or self-service outlets. Effortless to operate and clean, each hot plate has an independent one-touch illuminated control switch allowing reduced running costs during quieter hours. Suitable for most standard coffee jugs.

Features and Benefits:

- Ideal for busy restaurants
- Hotplates may be operated independently
- Coffee jugs sold separately
- Low maintenance and low running costs
- Lightweight and portable for mobile catering
