

PREMIUM SLIMLINE REFRIGERATED COUNTERS

Description

When space is at a premium you need a premium counter unit to resolve your refrigerated storage problems! The range from Inomak comes with a depth of just 600mm, perfect for even the smallest kitchen or prep space.

The digital display allows for easy and accurate control of the temperature along with additions such as one shelf per door, leaving a lot of space to work with. The corners are rounded for easy cleaning and castors fitted as standard.

Features

- High grade AISI 304 stainless steel exterior & interior, including back
- 1 x shelf supplied per door
- Internal corners rounded for easy cleaning
- Castors fitted as standard
- Replaceable door gaskets
- Self closing doors
- Epoxy coated evaporator to resist corrosion
