

# Chamber Vacuum Packing Machine

The Buffalo Chamber Vacuum Packing Machine is easy to use, exceptionally reliable and offers a very high output. Instantly sealing food or liquid in tidy, easy to store packs, the Buffalo vacuum packer prepares food for instant cooling, freezing or cooking in precise portions. The vacuum and sealing actions are adjustable, and once sealed the vacuum bags are ideal for use with a Sous Vide Waterbath. A viewing window allows the food or liquid to be seen during the vacuum process and the stainless steel construction makes this machine exceptionally hygienic and easy to clean.
