- Castors

13 scoop static cooled display with understorage

The ISA Isabella range provides a spacious ice cream scooping display with 10 or 13 pans. Featuring an elegant curved glass and a serving shelf at the back, this cabinet allows you to create an eye-catching display of ice cream or gelato that will surely delight your customers. The cabinet is equipped with a refrigerated under storage, which allows you to quickly restock the display with fresh supplies even during peak hours. Additionally, the cabinet comes with castors to assist moving the cabinet and an internal LED light to illuminate the display.
