

Tork Antimicrobial Foam Soap (Biocide)

520800

Think ahead.

Description

Wash your hands thoroughly with Tork Antimicrobial Foaming Soap which is certified according to standard EN 1499. Its low-alcohol formulation is highly effective against bacteria, viruses and fungi. It combines normal hand washing and disinfection in one washing procedure. In addition, it is perfume and dye-free to reduce allergic reactions. Fits in Tork Skincare Dispensers that have been certified Easy to use and provide good hand hygiene for all users.

- Effective against a variety of problematic organisms – meets the requirements of EN 1499
- Hygienic: sealed refill bottle with disposable pump reduces the risk of spreading infection
- Certified easy maintenance and intuitive refilling in less than ten seconds
- The bottle is recyclable and shrinks as it is used, reducing waste volume
- Use biocides safely. Always read the label and product information before use.
- Information on risks and precautions can be found in the safety data sheet.
- Effective
- Help prevent infections
- Factory-sealed bottle
