SOLA The Netherlands

CUTLERY WITH HERITAGE

Sola's internationally recognised and well appreciated designs follow years of experience in designing, producing and selling cutlery.

USABILITY
Products are ergonomically designed, using shapes that best suit each purpose.

STYLE
Highly polished mirror finishes enhance the dining experience by adding a touch of elegance to the table-top.

LONGEVITY
Advanced rust and acid resistance comes with all Sola cutlery and is a key feature helping prolong the life of their products.

QUALITY
Sola cutlery offers long lasting shine, dishwasher durability and is fully guaranteed against production and material failures.

PERFORMANCE
Sola offers the finest quality 18/10 stainless steel. This refers to the percentage of chromium and nickle. 18/10 is better as the addition of nickel offers improved corrosion resistance. Knives are always 13/0. This type of steel is hardened, which is necessary to keep the blades sharper for longer.

STRENGTH
Sola offer high gauges for optimal strength.

VARIETY
Sola offer full suites of cutlery within each range.

SOLA The Netherlands

Based in the Netherlands, Sola are one of the world's leading cutlery suppliers since 1922, producing and distributing stainless steel cutlery and serving ware of the highest quality.

Sola is proud to offer a variety of designs varying from classic to contemporary.

Churchill's partnership with Sola brings exclusive ranges from the internationally recognised cutlery brand to the UK.
