

ECO 700

ECO 700 with capacity for two 1/1 GN containers in depth, which can be placed on the cabinet's wire shelves or directly on the support rails with anti-tilt function.

The chiller features an extended temperature range from -2 to +8°C, providing greater flexibility and supporting the kitchen's changing needs for storing a wide variety of ingredients. The freezer has a temperature range from -23 to -10°C.

Innovative and user-friendly controls ensure optimal operation and low energy consumption. Ergonomic design with a full-length door handle and a self-closing door. Rounded corners and removable magnetic door gaskets ensure optimal hygiene.

Standard equipment:

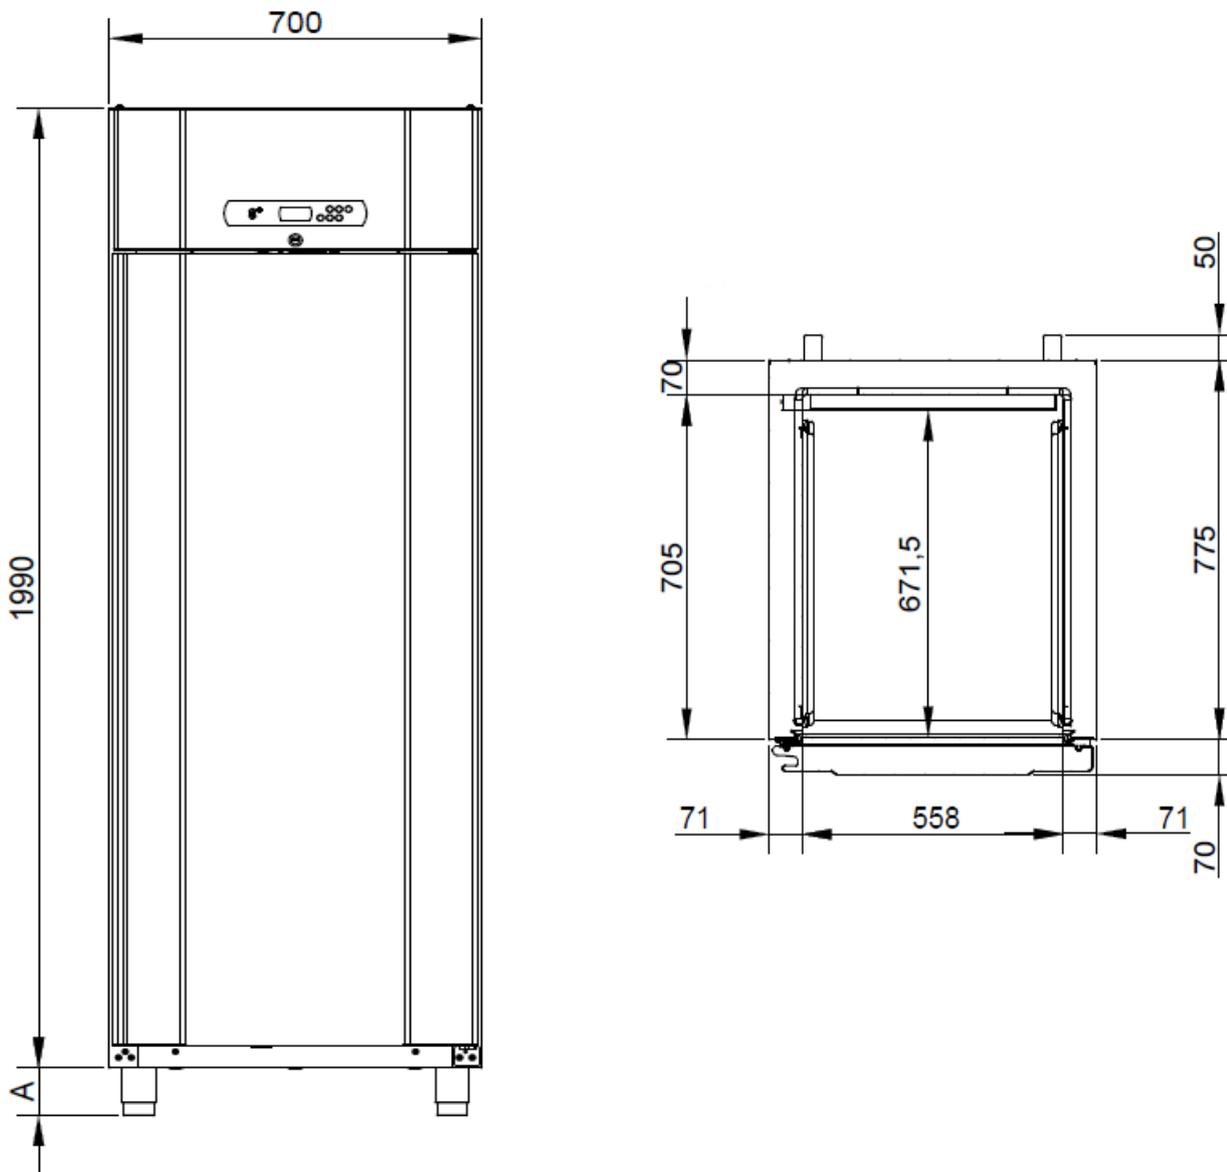

- Stainless steel interior and exterior
- 3 grey wire shelves
- Reversible right-hinged door with self-closing function and lock
- Efficient LED lighting
- Legs can be adjusted in height 135/200 mm

Optional:

- Additional wire shelves and support rails
- Stainless steel wire shelves or perforated shelves
- Left-hinged door
- Castor set
