

BPSM7 - Lincat Blu Upright Fridge - Single Door

The perfect solution for professional kitchens requiring a high volume of refrigerated storage.

- Perfect solution for professional kitchens requiring a high volume of refrigerated storage
- Accurate electronic temperature control with easyto-use digital controls to ensure safe storage of foods
- Electronic controller ensures excellent temperature control and easy to manage operation in the busiest environment (up to 43°C)
- ✓ Generous GN2/1 capacity
- Load gastronorms directly onto the shelf supports for ease of loading, or use the shelves supplied for flexible chilled storage
- Hygienic and robust design Grade 304 stainless steel interior and exterior, with embossed shelf supports and radiused interior corners to promote easy cleaning
- Hygienic and robust design stainless steel inside and out, radiused interior corners and embossed shelf supports to promote easy cleaning
- 75mm cyclopentane insulation and R290 gas zero ODP (Ozone Depletion Potential) and only a low GWP (Global Warming Potential), providing excellent thermal efficiency

- Supplied with 3 shelves. 24 shelf positions allow added flexibility
- Fan assisted for optimal air distribution, ensures efficient and safe operation even when the shelves are fully loaded
- Full length grab handle
- User reversible door
- Auto- defrost function
- Heavy duty 2 swivel castors with 2 braked for easy manoeuvring and safety
- Designed to fit through a standard door for ease of positioning
- Removable Monobloc cooling unit in the event of an issue with the cooling function, the Monobloc can be detached for repair away from the kitchen or to replace.

Specifications

Summary		Power and Performance	
Brand	Lincat	Total Power kW	0.3
Range	Blu	Temperature Range °C	-2 to +8
Power Type	Electric	Temperature Control	Electronic
Unit Type	Free-standing	Cooling Capacity Watts	425
Available in UK Only	No	Energy Grade	С
UK Warranty	2 Years Parts and Labour (3 Years on Compressor)	Annual Energy Consumption kWh/Annum	564
Export Warranty	Copntact your local dealer	Climate Class	5
GTIN	5056105123309	Energy Consumption kW/24hrs	1.544
