

LBC2

REFRIGERATED COUNTERS WITH UPSTAND

If you're looking for a refrigerated counter that is highly versatile the HBC/LBC range of units are the perfect choice. Coming as standard with 1 adjustable shelf per door plus options to add an additional 2/3 drawer packs you really can customise this counter to cater for your exact needs.

All configurations come with a coved 100mm upstand, forming a seamless splashback; meaning you will not have to worry about food falling behind the counters.

MODEL	DOORS	GROSS CAPACITY	REFRIGERANT	TEMPERATURE RANGE	DIMENSIONS (mm)	ENERGY RATING	POWER USAGE	KWH/ANNUM	POWER	WEIGHT (kg)
