

ZQFP99

PREMIUM GASTRONORM SALADETTE WITH GLASS CANOPY

Description

Featuring a new full width glass display case the ZQFP range will fit perfectly within any food assemble and serve station. High grade AISI 304 stainless steel exterior and interior ensures easy cleaning and good durability of the unit. Legs are fully adjustable, allowing easy access underneath the unit for cleaning and maintenance.

Other features include self-closing doors, internal illumination inside the display case and a user-friendly digital temperature display and controller.

Features

- High grade AISI 304 stainless steel exterior & interior, including back
- 1 x GN1/1 shelf supplied per door
- Accepts gastronorm containers
- Internal corners rounded for easy cleaning
- Replaceable door gaskets
- Self closing doors
- Epoxy coated evaporator to resist corrosion
- Display case has internal LED illumination
