

# Pie Cabinet

350W. 3 Tier. Capacity: 30 pies

Designed for the attractive presentation and merchandising of pies, pasties, sausage rolls and more, the Buffalo Pie Cabinet is a stylish solution for promoting impulse pastry purchasing. Constructed from strong stainless steel and with clear glass sliding doors, the pie cabinet is sturdy, effortless to clean and easy to access. The internal lamp ensures your pastries are visually appealing, whilst the water pan creates humidity in the cabinet, retaining the quality of the products for longer and reducing waste. Once service is over, the doors, shelves and water pan are all removable to speed up the cleaning process.
