

PANTHER

PRODUCT FEATURES

- Ideal for warming plates and for holding food safely and effectively at the desired temperatures
- Fully insulated for enhanced energy-efficiency
- Adjustable thermostatic control to meet food safety regulations
- Compact, space saving design

Are you looking for a unit to hold food safely and effectively at the perfect temperature? The compact Panther Light Duty Series Hot Cupboard, which can also be used for warming plates, comes fully insulated for enhanced energy-efficiency, while there's also an adjustable thermostatic control to meet food safety regulations. This model is ideal for smaller establishments where space is at a premium or where budgets are tight.
