

BLAST CHILLER / FREEZER, STAND-ALONE MODEL SBU15HLU

Product series: SBU

Item number: 965780516

The HOSHIZAKI SBU15HLU is a Blast chiller / freezer, Stand-alone model.

The HOSHIZAKI SBU series has been designed to cover all regulations around the perfectly hygienic transition from cooking to chilling your valuable produce.

External equipment

- Top positioned digital control panel.
- Right hand hinged reversible door
- Height adjustable legs from 75 to 108 mm.
- Defrost drip tray on outer base

Internal equipment

- Core probe
- Removable wire rack for 1/1 GN
- Max. Number of trays: 5

Removable magnetic door gasket

Food Safe

Food items are handled in full compliance with the HACCP guidelines.

Automatic shift to 'storage mode' after the chilling/freezing process.

If a power failure occurs or when a temperature limit is exceeded this will activate a visual alarm (HACCP alarms).

The hinged fan cover panel provides access to the evaporator and fan during cleaning.

Versatility

Offers different operational modes: Time-controlled or controlled by the core probe (temperature).

SPECIFICATIONS
