

## UPRIGHT VENTILATED GASTRONORM REFRIGERATION

The Blizzard BF/BR range are the perfect units for those looking for a larger storage solution. Built with high grade 304 stainless steel and heavy duty castors fitted as standard the units are built to last and thanks to the rounded internal corners, replaceable door gaskets and 4 adjustable shelves are easy to clean too!

Both models come with LED lighting, locks, self closing doors (with dwell position) and 60mm thick insulation as standard. The BR model is suitable for storing fresh meat.
