The Lynx Prime Conveyor Toaster is perfect for high-demand breakfast buffets, supporting both assisted and self-service. Toasting up to 400 slices or bagels per hour, it's built for efficiency, keeping lines short and service smooth. It offers options for single- or double-sided toasting with precise browning control for consistently perfect results. Choose front or rear toast output to fit any setup. In low-demand periods, switch to standby mode to save energy and reduce reheat times. With its stainless steel construction, it's also easy to clean, simplifying post-service cleanup.
